Pashmina
Collection

This pashmina is composed of natural linen and dyed with natural dyes in an environmentally friendly approach that eliminates the use of synthetic colors. Various leaves, such as africa, kenikir, biden, and others, are used to print the motifs. This pashmina is 189 x 70 cm, making it ideal for individuals who want to look fashionable.

Price Rp 300.000

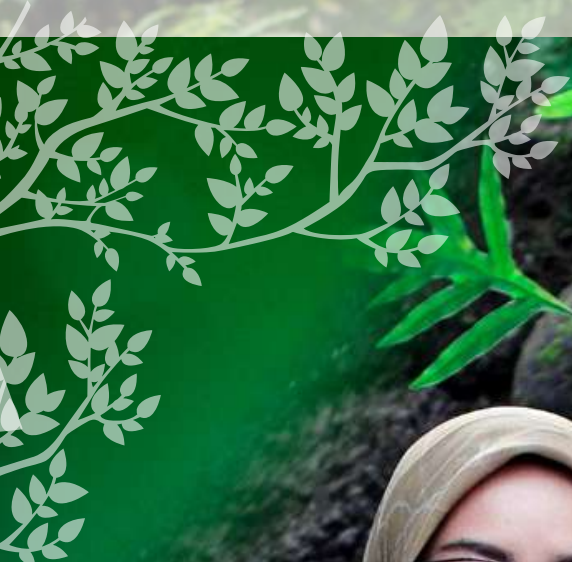

Hijab Square Collection

Hijab is become one of the most fashionable ways to enhance your appearance. Arae introduces an eco-printing hijab that is made of soft materials. These two hijab materials are strongly suggested for those of you who want to begin wearing the hijab, as they make it even more comfortable (Bemberg and Viscose Sateen size 120 x 120 cm)

Price Rp 250.000
